

Material Safety Data Sheet

11-8020 Page 1 of 2

Section I - Product and Company Information

Greenway Research Lab
14301 Burnsville Parkway West
Burnsville, MN 55306

Emergency Telephone Number:
Information Telephone Number: 800-451-0305
Date Prepared: 25-Jan-10

IDENTITY(as used on label or list): Dermastage Anti-Inflammatory Complex

DOT Hazardous Material Proper Shipping Name: Not regulated

DOT Hazard Class	DOT Packing Group	DOT Reportable Quantity	UN/NA ID No.
Not regulated	Not regulated	Not applicable	Not regulated

Section II - OSHA Hazardous Components

CAS #	Name	% by Weight	OSHA			ACGIH		NFPA *	SARA *
			PEL	STEL	TWA	STEL			
64-17-5	Ethanol	2.0	1000		1000				

N/A= Not Available

NFPA Hazard Identification - identifies hazards in three categories: Health, Flammability, and Reactivity.

The number indicates the order of severity ranging from 0 indicating no special hazard to 4 indicating severe hazard.

SARA Hazard Identification - F= Fire Hazard; S= Sudden Release of Pressure; R= Reactive; A= Acute (Immediate) Health Hazard;
C= Chronic (Delayed) Health Hazard

Section III - Physical and Chemical Properties

Appearance: Thin white liquid	Specific Gravity (H ₂ O=1.0): 0.970
Odor: Characteristic	pH: NA
Viscosity: Thin liquid	Vapor Pressure (mm Hg): N/A
Solubility in Water: partially soluble	Vapor Density (Air = 1): N/A
Melting Point: N/A	Evaporation Rate (n-butyl acetate =1): N/A
Boiling Point: N/A	Volatiles (% by weight): > 80

Section VI - Fire and Explosion Data

Flash Point: **N/A** Method Used: **N/A**
Flammable Limits: LEL- **N/A** UEL- **N/A**
Extinguishing Media: **Dry Chemical Foam Water Carbon Dioxide**
Special Fire Fighting Procedures: **NIOSH/MSHA-approved respirators should be worn or self-contained breathing apparatus.**
Unusual Fire and Explosion Hazards: **Products of combustion may be toxic.**

Section V - Health Effects Information

<u>Routes of Entry</u>		<u>Acute Hazards</u>	<u>Chronic Hazards</u>
Skin Contact	Yes	None expected for short term exposure.	No adverse health affects are expected from normal use.
Eye Contact	Yes	May cause irritation.	No adverse health affects are expected from normal use.
Inhalation	No	None expected for short term exposure.	No adverse health affects are expected from normal use.
Ingestion	Yes	None expected for short term exposure.	No adverse health affects are expected from normal use.

Chemicals Listed as a Carcinogen By:

National Toxicology Program: No I.A.R.C. Monographs: No OSHA: No

First Aid Measures:

Eyes: Flush with large amounts of water for at least 15 minutes. Seek medical attention if irritation persists.

Skin: Wash affected areas with plenty of water and soap. Seek medical attention if irritation develops.

Ingestion: May result in gastric disturbances. Do not induce vomiting. Seek medical attention.

Inhalation: Remove from area to fresh air. Seek medical attention if respiratory irritation occurs or if breathing becomes difficult.

Effects of overexposure: Not known.

Overexposure may aggravate existing conditions: Not known.

Section VI - Reactivity Information

Stability: Stable

Conditions to Avoid: None known

Hazardous decomposition products: Thermal decomposition may produce toxic organic vapors; oxides of carbon/nitrogen/sulfur.

Incompatibility (Materials to Avoid): Strong oxidizing or reducing agents.

Hazardous Polymerization: Will not occur.

Section VII - Spill and Disposal Information

Precautions if Material is Spilled or Released: Collect material for proper disposal. Flush small residue with water.

Use care as surfaces may become slippery.

Waste Disposal Method: Dispose of in compliance with all Federal, State, and Local laws and regulations.

Section VIII - Storage and Handling

Store in a cool, dry place in tightly closed containers. Store above 40° F to prevent freezing.

Wash hands thoroughly after handling. Do not rub eyes with soiled hands. Do not eat, drink, or smoke in the work area.

Section IX - Personal Protection Information

Ventilation Type: Not necessary if kept in a well ventilated area.

Respiratory Protection: Should not be necessary

Protective Gloves: Rubber or neoprene, when needed, to prevent skin contact.

Eye Protection: Goggles if splashing may occur.

Other Protective Equipment: Eye wash and safety shower.

Protective clothing (long sleeves, coveralls or other, as appropriate, to prevent skin contact).

Section X - Miscellaneous and Regulatory Information

Toxic Substances Control Act (TSCA Inventory): None known

CERCLA (Comprehensive Environmental Response, Compensation and Liability Act of 1980)

Chemicals requiring notification of the National Response Center at 1-800-424-8800: None known

SARA Title III, Sections 302/304 (Superfund Amendments and Reauthorization Act of 1986) None known

SARA Title III, Sections 311/312 (Community Right to Know provisions) None known

SARA Title 313: None known

State Right to Know Regulations:

California Proposition 65: None known

Massachusetts Right to Know: None known

Michigan Critical Materials: None known

New Jersey Right to Know: None known

Pennsylvania Right to Know: None known
