

Dermodality Printing Tips

For best results, we recommend printing everything through UPrinting.com. They do a beautiful job and will check your artwork/product before printing to ensure everything prints nicely.

Once you're on UPrinting.com, you can use the search bar at the top to search for Counter Cards, Posters, etc. and simply upload the artwork downloaded from our site, select the correct size (listed in the title), select your quantity and move on to check out.

Some of our favorite items from UPrinting include:
